Instructions
In using the outline below please enter both the number of the item and a brief subhead (e.g., Part I, 1c. Location) so that readers will understand the entries. Please number each page of the proposal. **NOTE:** Remember to use person-first (e.g., “student with a learning disability” vs. “learning disabled student”) and gender-inclusive language.

**Part I: Summary Information for College Records**
All major course revisions must address Parts I & II, and submission of the new and old course syllabi.

Using the list below, please provide information for changes that you are making to the course:

1. Full alpha-numeric course number (3 letters, 3/digits):
   Departments may select a course number from among those not currently in the Course Master. Please refrain from selecting a number previously assigned to a course that has been frozen for less than two years.

2. Long course title:
   Please limit title to 100 characters including spaces. This title will appear in the course catalog description available at: http://www.newpaltz.edu/graduate/courses.html.

3. Abbreviated course title:
   Please limit title to 30 characters including spaces. This title will appear in the schedule of classes.

4. Course catalog description (approximately 35 words):
   Please refrain from beginning your description with: “This course is...”

5. Location: (e.g., on campus, off campus)

6. Contact hours & number of class sessions per week:
   Lecture classes require 50 minutes for each credit hour; labs require 100 minutes for each credit hour.

7. Facility: (e.g., classroom, lecture hall, lab, etc.)

8. Credit hours:

9. Repeatable:
   Is this course repeatable for credit? If so, how many times?

10. Grading method: (e.g., regular letter grade, s/f, H-grade, etc.)

11. Co-requisite course(s):
   Do students need to enroll in another course at the same time as this one (e.g., this course AND ARHxxx)?

12. Liberal Arts (LA) designation:
   Many graduate education programs require their students to enroll in a certain number of liberal arts courses. The LA designation is helpful when registering and designing the plan of study. To determine if your course meets Liberal Arts requirements, please refer to: http://www.newpaltz.edu/ugc/policies/policies_liberalarts.html.

13. Restrictions:
   Restrictions limit registration by including or excluding specific majors, student levels (UG/GR), or class types (Junior/Senior). Would you like to include or exclude particular students? If this course is included in a new or revised program proposal, would you like to limit registration for the course by including the new major code (e.g., Only students in the “013C” major are allowed to register for this course)?

14. Pre-requisites:*
   Do students need to complete a specific course prior to enrolling in this one? If so, what is the minimum passing grade for meeting this requirement (e.g., ARSxxx minimum grade B)? If this pre-requisite may be fulfilled by more than one course, please insert “or” between the courses (e.g., ARSxxx minimum grade B OR ARHxxx minimum grade B).

   * **Concurrent prerequisite(s):** Some prerequisites may be taken at the same time. Can this/these prerequisite(s) be taken concurrently?

15. Class limit:

16. Frequency of course offering: (e.g., annually, bi-annually, fall/spring/summer)

17. Core or elective course:
   Is this a required or elective course? Please specify.

**Part II: Detailed Explanation of Proposed Major Revision**
All major course revisions must include Part I, II, and submission of the new and old course syllabi.

1. Explain how this course, as revised, supports the department’s overall goals and its curricular/programmatic offerings.

2. Describe any staffing changes as a result of these course revisions.

3. Are there adequate resources to support the course, as revised? Describe (specify, document) the anticipated cost/budgetary impact of this course, including personnel, library, computer/equipment, laboratory, materials and supplies, and other anticipated expenses.

**Reminders**
My major course revision:

☐ has a cover sheet that has been signed by the appropriate governing bodies
☐ addresses the required sections of the Major Course Revision form
☐ includes copies of the old and new course syllabi

**NOTE:** After the academic dean of the originating department approves the course proposal and signs the cover sheet, please email the course proposal and a scanned copy of the cover sheet to gradstudies@newpaltz.edu. Send the original proposal and signed cover sheet to the Assistant Vice President for Graduate & Extended Learning, Old Main Building, Room 127. Thank you.
