The Program
The Master of Science in Education (MSEd.) is a 30 credit graduate program designed with flexibility in mind. It allows initially certified teachers the opportunity to tailor the program to their interests. At its core, the MSEd. aims to deepen teachers' knowledge of subject content, of the theory and practice of teaching and learning, and of the diverse contexts of education. In a two-semester course, students develop skills in research-based inquiry focused on the classroom. This graduate program enables students to complete the curriculum requirement for professional certification in New York State.

Admission Requirements
Applicants to the Master of Science in Education must have a Bachelor’s degree from a regionally accredited institution with:

- A 3.0 or better GPA in all undergraduate course work
- A 3.0 or better GPA in an appropriate undergraduate major
- Evidence of a valid NYS teaching certificate

Each applicant must also provide three current letters of recommendation, write a satisfactory admissions essay, and submit one official transcript of all college course work.

Application Procedures
Our online application system allows students to manage their application process. Review the steps below for a quick overview of the process.

1. PREPARE ADMISSION CHECKLIST ITEMS
To expedite a faculty review of an application, students may upload the following items:
